Hello Gardeners!
Fryfogel Flowers greenhouse will be closing to in-store shopping next year. We'll have the online store available until Sept 15, 2023. You can place next year's order on-line or send in this order form. No more remembering what you planted! Quickly see exactly how many of each variety you planted. I suggest you fill in what you buy this year and then in late August or early September you can take your order form and walk through your garden and see what you want to reorder and what you don't want. If there is something you want that isn't listed you can request it and I will see what I can do.
 I hope to continue growing for many of you and, for those who don't choose to order, I thank you for the many years you have been a customer. Any questions, any time, call, text or email me.
 Have a great summer.
 Don

Deadline for placing orders will be Sept 15th.
Orders over \$200.00 before taxes get 10% off;
no membership or handling fees necessary.

Place your order either by filling in this order form and mailing it to me, or scan it and email it, or ask for me to email you the order form or place your order on-line on the website as usual.

Orders don't need to be picked up until May 24th, 2024.
